

## Annex 6: Provincial GBV / SARV Referral Pathway

In 2012, DFCDR and UNDP produced the *Provincial Gender Based Violence Action Committee Secretariat Standard Operating Procedures* which set out how Provincial GBV Secretariats should be set up in terms of staffing and provided guidance on how the “referral pathway” could operate. The diagram below is a simple guide as to how services should connect together to ensure that survivors can access the multiple different services they may need as they respond to one or more threats or acts of violence.
